Auckland moving to Alert Level 3

Kia ora Whanau

As you are aware the Prime Minister made an announcement to the country last night. Auckland will be at Alert Level 3 for 7 days as of 6am this morning. If there is no one to mind your child please let us know, there will be 1 staff member onsite for parents from 8.15am – 3.00pm, Monday - Friday.

The teachers will have a learning pack available for collection from school tomorrow between 12.30pm – 3.30pm. The school gates will be open to allow you to drive through and collect your child's pack.

This will be a contactless pick up and you will be required to sign the form for devices that are issued.

PLEASE WEAR A MASK AND STAY IN YOUR VEHICLE.

If your child **DOES NOT** have a device at home, contact your teacher via email **ASAP**. The teachers will be in touch on Monday to work with students.
