

Serving with Faith and Love

Kia ora Whanau,

**MINI CRAFT MARKET
SATURDAY 5TH DECEMBER, 2020
10.00 – 2.00pm.**

To make this a success we are asking for your help.

- To set up our garden for our elders so they can sit and enjoy the laughter of the children. For this we are looking to loan some garden furniture, outside table and chairs.
- Our cake stall; we will be sending out a box with each child so they can fill with yummy homemade baking and to bring that into school on the Saturday morning.
- 'Bring a Bottle' mufti day on Friday 27th November where each child, instead of a gold coin we are asking them to bring in a bottle of something. It can be a bottle of tomato sauce, a bottle of wine, a bottle of juice. These bottles will go into a running raffle on the day.
- We will be selling plates of Chop Suey & Rice. For this we are asking for donations of Soya Sauce, diced beef, vermicelli, onions garlic and rice.
- There will be a sausage sizzle so we need donations of sausages and onions.
- We are asking also for volunteers on the day to help set up before 10.00am and to help clean up after 2.00pm.

There will be a performance or two so come along and join with us and Summit Point School and make this a successful day for everyone to enjoy.

If you have any other ideas that we can include please do not hesitate to let us know.

Kindest regards,

St Joseph's Catholic School
