**STUDENT COMPUTER & INTERNET
AGREEMENT**

Student

I have read this Agreement and know the importance of the school rules for the use of computers and the Internet.

I know that if I break these rules, I might lose the right to use a school computer, and the school may take other disciplinary action against me, which could include my removal from any course that involves computer use.

Parents / Caregivers

I have read this Agreement and understand that my child is responsible for using school equipment and the Internet as outlined here.

I have gone through the agreement with my child and explained its importance, and that there may be consequences for breaking the Agreement.

I understand while the school will do its best to restrict student access to offensive, dangerous, inappropriate at school, or illegal material on the Internet or through e-mail, it is the responsibility of my child to have no involvement in such material.

I give my permission for to be given access at school to global information systems such as the Internet or e-mail.

STUDENT COMPUTER AND INTERNET USE AGREEMENT

I understand that:

- The only purpose for school computers and other Information Technology resources is to support teaching and classroom learning.
- The school will do its best to keep me safe while using global information systems such as the computer and the Internet.
- I know that I am **not permitted** to access material through the Internet which is offensive (e.g. pornographic), dangerous, inappropriate at school, or illegal*.
- I am forbidden to pass on such material by copying, storing or printing it.
- If I use e-mail at school, I am **not permitted** to send any messages which are offensive, dangerous, inappropriate at school, or illegal*.
- I may use the Internet or e-mail at school only if there is a teacher supervising me.**

Students : * Please ask your teacher if you need any of these terms explained to you.
** A school's Internet Safety Policy should address the issue of Internet access out of scheduled class time.

I understand how important it is to:

1. Take care of Information Technology resources, such as computers and the Internet.

Be careful with equipment and furniture.

Respect the copyrights on software that prohibit copying.

Use only school software on school computers.

2. Be considerate of other users.

Share available equipment.

Be careful not to waste computer resources, e.g. paper.

Avoid disruption of the running of any computer or network.

Take care not to scan or display graphics, record or play sounds, or type messages which could cause offence to others.

Remove immediately from the screen any material that would not be allowed at the school which I accidentally come across, and tell the teacher right away.

3. Be responsible for privacy and security.

I will not give anyone on the Internet information about myself or anyone else – this includes address, phone number, photograph or credit card information.

I will use discs only to backup work or take it to and from home.

I will tell the teacher if I come across a virus or security problem.
