

Living in a bubble Cinquain Poem. By Isaac

Lockdown
Annoying, hard
Playing, learning, eating
Feeling happy, going walking
Confined

Great poem Isaac - I'm so happy you are feeling happy. Dr G 30.4.2020

Write about an April Fool's Day prank that you may have pulled. By Aloema

I got balloons and filled them up with water and then waited for Rixon for the right time for him to come. When he came I threw the balloons at him and laughed and said "April Fools"!

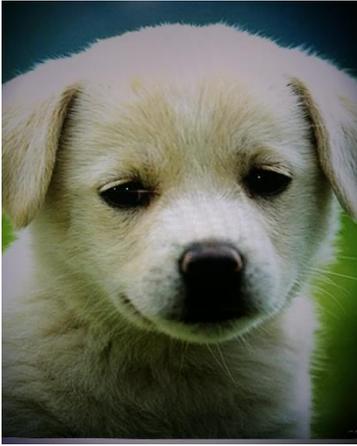

Wonderful start Aloema - how funny, poor Rixon. Dr G 19.4.2020

ANZAC day is usually celebrated with the country coming together at war memorials throughout NZ. The country stops and remembers the soldiers who fought for our freedom. This year ANZAC day fell during our LEVEL 4 lockdown for COVID 19, so we could not gather and remember as we normally would. Tell what you and your family did to mark this special day. By Carter

Our family got up at 5am to go to our neighbour place to his dawn parade. We had candles and Norm had all his medals from WORLD WAR 2 ON DISPLAY. WE LISTENED TO THE LAST POST. WE LISTENED TO THE RADIO SERVICE IT WAS STILL DARK OUTSIDE. WE SAID NOTHING FOR A LONG TIME AND THEN THE MUSIC PLAYED. WE THEN WENT HOME. AT DAYTIME MY NANA AND ME MADE A POPPY AND CROSS AND FLOWERS TO PUT OUTSIDE OUR HOUSE.

Well done Carter for making such a lovely start. Keep up your daily writing - look how much you have written - well done. Dr G 28.4.2020

PETS by Haset, Rainbow and Isaac

I love my pet because it's my true friend. It never leaves me when I feel sad. I like to chase her and run. When she grows up she will protect me from dangerous things. When I take her for walks it improves my health. When I play with her it makes me feel like I'm the luckiest person in the world. My puppy is there when I need her. I think everyone would like her as much as I adore her. My little sister and I really want to have a real puppy. We just pretend that we have one. Puppies are my favourite pet because they protect people.

Awww that is so sweet - a very persuasive piece of writing and I hope you do eventually get a puppy one day. Dr G 29.4.2020

I want this husky so much because I love its beautiful blue eyes and its dark black fur. They also say that the eyes are the windows to the soul. And this is my future pet. But I just hope that I will find a husky like this one. This may be my spirit animal. Because huskies are fast like me, fierce like me and brave like me. It also likes lots of cold objects and lives in the snow. If I were free I would live with the huskies. But I've already got a family. Huskies are my favourites and will always be my favourites.

THE END HUSKIES HUSKIES HUSKIES.

Lovely writing Rainbow - I can hear your voice in your writing and I'm very impressed. That is a stunning husky picture. These animals are very special. Dr G 30.4.2020

My pets - I have two pets, a dog and a cat. My cat's name is Sox and my dog's name is Octavia. I love my pets so much because they are different. Sox is a little black and white cat who has little white feet. That is how she got her name. Octavia is a yellow Labrador about ten human years old.

What wonderful pets you have. Well done Isaac - GREAT writing and nearly more than 7 sentences per day. Keep it up. Dr G 24.4.2020

Going on a Bear Hunt by Tanya

(Mrs Snuggles)

Mrs Snuggle's Walk Around the Block by Tanya

We're going on a bear trip
We're going to get some exercise
What a great day!
We are so happy!

Stop! An intersection!
We can't go straight away
We must look left and right
Now we can go!
Stomp, stomp, stomp

We're going on a bear trip
We're going to get some exercise
What a great day!
We are so happy!

Look! A cat, in front of us.
We have to shoo it away
So it will get out of our way
Now we can go!
Jog, jog, jog

We're going on a bear trip
We're going to get some exercise
What a great day!
We are so happy!

Wait, there's a train passing by!
We don't have to worry
Because we're not on the tracks
We can still walk
Along the path

We're going on a bear trip
We're almost home now
We are so tired
But thank you Mrs Snuggles for our long walk.

Tanya - this is sooo amazing - well done Dr G 24.4.2020
